SAC J. GORDON SHANKLIN

~~ASSASSINATION OF PRESIDENT~~
~~JOHN F. KENNEDY~~

1/17/64
LEE HARVEY OSWALD, aka.
IS - R - CUBA

On this date, I talked with WILLIAM A. BRANIGAN concerning MARGUERITE OSWALD's request to have a written request for copies to be made of exhibits in her possession.

Mr. BRANIGAN advised such a letter should be written today.

I also talked with Inspector J. R. MALLEY, who advised the polygraph examination for JACK RUBY is on again. TOMAHILL called RANKIN today and told him he had been in touch with FOWLER and FOWLER wanted to get it out of the way tomorrow. RANKIN had SPECTOR call MALLEY, who made arrangements for him to get in touch with HERNDON. The Commission is apparently working it out with the attorneys. TOMAHILL called RANKIN and said FOWLER is agreeable to this, and FOWLER is apparently being talked to by SPECTOR and it comes down to where RANKIN said in view of this request, he wants us to be in a position to say we had people there to try to give the polygraph, whether it comes off or not. At least we tried.

The only request SPECTOR had of us in addition to having the polygraph man in Dallas, was for the Dallas Office to call Sheriff DECKER and tell them they want to go through with the polygraph at whatever time they set up. When HERNDON talked to SPECTOR, he was supposed to find out what time the interview is being scheduled for. They are dealing with everyone in this thing, except the Sheriff, which we are to arrange. HERNDON might like to talk to HALL before starting the interview.
